How pricing works

When do I pay hourly instead of a flat rate?

Choose hourly (as-directed) when the chauffeur stays with you for multiple stops, a roadshow, a wine-country day, or an event. One-way and round-trip transfers between two addresses are flat-rate.

Is the 5-hour minimum per day or per booking?

Per hourly booking. Split-day service with a release and later re-pickup is quoted as two separate assignments or as continuous hours, whichever is lower for you.

What is included in the hourly rate?

Chauffeur, vehicle, fuel, bottled water, and standard wait time. Gratuity, tolls, parking, and airport access fees are billed at cost.

How long do you wait at the airport?

Complimentary wait time is included on tracked flights — curbside and meet-and-greet arrivals both include grace time before waiting rates apply.

Can I open a corporate account?

Yes. Monthly invoicing, cost centers, and traveler profiles are available for teams and executive assistants.
